### **W.M. Kerr fonds**

1836, 1872

2.5 cm of textual records

W.M. Kerr (fl. 1825-1840) was an apothecary who apparently operated for a time in Lunenburg County.

Fonds consists of a bound volume comprising 91 pages of Kerr's apothecary recipes ("receipts") and 17 pages of food recipes written later by an unidentified person.

The document was found in the Mahone Bay Museum's backlog in 2017 and was processed in 2018.
