### **Mahone Bay Board of Trade fonds**

1946-1962

1 cm of textual records

The Mahone Bay Board of Trade was founded to bring together the town's business people and promote business in the community. Apparently, it later evolved into the Mahone Bay Area Chamber of Commerce, which is still active today.

Fonds consists of a membership record book from the 1946-1962 period.

The records were donated by Michael Ernst in 1994.
