HIGHLIGHTS FROM OUR 2024 SEASON

Thank you to Susan Corkum-Greek, MLA, for stopping by and bringing Premier Tim Houston to visit us. We appreciate them taking the time to visit us and meet our summer staff, our Manager and Curator Lyne, and the Chair of our Board, Anne.

Thank you to the tour property owners, volunteers, sponsors, and visitors for making the Home and Garden Tour a great success! We appreciate you supporting the Mahone Bay Museum. We could not have done it without you!

We welcomed back John from South Shore Ship Modellers Guild to work at the museum once a week this summer on a model of a local vessel. It was great to see his progress every week! John is planning on continuing to be at the museum during our fall hours on Thursdays from 1-3pm!

Here is our amazing 2024 summer staff!

Our summer students did a great job! We will miss them and wish them the best with their bright futures!

Before she left, Lyne designed a new sign made by Printers Corner! It shows the Museum's location on an archival photograph of the Town.

This summer the carpenters have also made major repairs to the exterior of the building in order to protect our heritage property.
